ACTION REQUESTED BY THE SUPERINTENDENT:

That the School Board approve the purchase of wall maps for grades two through five as part of a six-year map and globe update cycle in an amount not to exceed \$54,000.

KEY POINTS:

- A recent map and globe inventory of elementary schools identified the need to update maps and globes. A few world maps are 39 years old.
- Geography is a key component and shows the lowest achievement in the Virginia Standards of Learning Assessments for grades three through five.
- Maps for kindergarten and first grade are part of the second phase of the replacement cycle.
- Sole source items.

SCHOOL BOARD GOAL:

Goal 1: Provide educational excellence through instruction that establishes high expectations for *all* students yet recognizes the unique needs of each learner.
